

LARONN LEGACY HOLDINGS - CORPORATE LEDGER

=====

===== DATE OF INITIALIZATION: Sunday, August 16, 2026 LOCATION OF
RECORD: Las Vegas, Nevada, USA FOUNDER & MANAGING DIRECTOR: Martha
Pauline Robichaw Wilson -----

OPERATIONAL RESOLUTION: INITIALIZATION OF TECHNOLOGICAL SUITE FOR
ESTATE ----- I, Martha Pauline
Robichaw Wilson, acting in my lawful capacity as Founder and Managing Director of
Laronn Legacy Holdings, do hereby officially log and establish the architectural
frameworks, proprietary concepts, and intellectual property assets contributed to the
family estate on this day, Sunday, August 16, 2026. This master ledger serves as an
immediate, formal record of ownership and initial corporate minutes for the following
three proprietary software and file utility architectures designed to insulate family assets
and secure provable human creative equity: 1. THE PRIVACY FIREWALL &
AUTONOMOUS LEGAL PERSONA LAYER (ALPL) - An open-source, localized
administrative compliance agent designed to interface with commercial registries and
shield family assets through automated corporate proxy operations. 2. THE
AUTOMATED CORPORATE MINUTES ENGINE (ACME) - A localized software module
utilizing automated resolution generation and decentralized cryptographic time-stamping
to immutably lock in corporate governance records and prevent corporate veil-piercing.
3. THE PROOF OF LIVED EXPERIENCE (.HUMAN) FILE ARCHITECTURE - A
specialized biometric and human attestation media envelope layer designed to
structurally isolate and protect authentic human creative sweat equity from un-attested
algorithmic machine outputs. These assets are held strictly under the proprietary
custody of Laronn Legacy Holdings for preservation, developmental rollout, and
eventual succession to my children. SIGNED, Martha Pauline Robichaw Wilson Martha
